## Launching Into Summer

# From The Desk of Edward J. Haggerty Sr.

Are you doing everything possible to grow your retirement nest egg into a financial windfall? Most likely you are not.

## Rule #1. Conversion To IRA:

If you want your family and loved ones to be able to parlay your retirement wealth into a fortune, you should consider rolling or transferring your company plan balance into an IRA.

## Rule #2. Know The Rules:

When you are playing a game board, you probably would play the game much better if you knew the rules.

Integrated Solutions can assist you in knowing the rules so that you and your heirs will be more financially secure. Let us show you how to win at the game of wealth retention in retirement and beyond.

**Marion to Consider Scaled-Down  
 Police Station**

**By Kenneth J. Souza**

Voters in Marion will once again be asked to support the construction of a new, scaled-down Police Department building on both the May 19 Annual Town Meeting warrant and via a single Debt Exclusion override on the May 23 Annual Town Election ballot.

Article 5 on the Town Meeting warrant will ask voters to consider appropriating up to \$3.8 million to build a new facility on property which has been donated to the town by Tabor Academy and is conveniently located just off Route 6. Two years ago a similar proposal for a 10,180 square foot facility at an estimated cost of \$3.4 million passed Town Meeting muster but was deadlocked in a tie at the ballot box, resulting in a defeat.

Those who opposed the original design claimed the project was a bit too extravagant and oversized for a town like Marion, and the reformed Police Station Building Committee took these considerations into account when they went back to the drawing board.

**Above:** Students from Tabor Academy in Marion rehearse for their comedy play *Indoor/Outdoor* to be staged on Saturday, May 17 at 7:00 pm and Sunday, May 18 at 2:00 pm in the Black Box Theater at Fireman's Hall. The show is directed by Johanna Wickemeyer of Rochester, who also plays the role of Samantha, a high-spirited and enthusiastic pet cat. The cast also features Marion resident Ned Riseley '08, Colby Morgan of Hamilton, MA, and Sarah Macdonald from Duxbury. Tickets are free and may be reserved by calling 508-748-2000. Donations will be gladly accepted and will be used to fund future student independent productions. (Photo courtesy of Max Wickemeyer).

As Memorial Day quickly approaches, more and more vessels will begin dotting the harbors in both Mattapoisett and Marion as residents prepare to enjoy the scenic waters of both seaside communities. "Need plans for permits, why pay more?"

"This is certainly no Taj Mahal," Police Chief Lincoln Miller said. "We've cut out roughly 20 percent of the original project. I've certainly been to other Police Departments that are much more lavish. (The new building) is designed to do the job and last for 20 years or more ... (but we) ended up talking 50-plus years. So the building was designed to support any type of future buildout. There are no frills in it. It's the size of working space and what we need to accomplish."

"I really think the Police Station Building Committee has been very mindful of the criticisms, but really it's just a common municipal building without all the frills," added Selectman Jonathan Henry, who also served on the Building Committee.

Chief Miller noted that among the major omissions from the earlier proposal was the removal of a combined training room and conference room area that was conceived to be used for both police business and for town functions. "It was handicap-accessible, so with the limitations of (the Marion Town House) or if you had more than one meeting at a time, it could be used," he said. "It was also going to serve as an emergency operations center, which is needed to get all the town departments together under an incident command center. But it was one of the things we cut out that wasn't used on a daily basis."

Expressing disappointment that the original Police Station proposal was narrowly defeated, Chief Miller

conceded that the longer the project is put off, the town is essentially "paying more for less."

"It's unfortunate (it failed), because a lot of thought went into designing the building the first time," Chief Miller said. "I wanted something that was functional for the department but didn't have any frills. That's something I've been adamant about from the start. People wanted something smaller and we're trying to meet what people asked us to do. But we didn't want to leave us with something that's so undersized that we'd be crunched for space in a few years, either."

As an example, Chief Miller cited a Fire Station project in the Town of Wellfleet that was originally undersized when first built in the 1980s which they are now trying to replace. "It was undersized from the day they moved in," he said. "Here's a building that was only 20-something years old and they're already talking about replacing it."

In a prepared statement Finance Committee (FinCom) Chairman Dr. Richard Kemp also noted how the new Police Station proposal pretty much represents a "bare bones" concept and although economic times are hard, delaying the project further will only increase the cost.

"The long-term reality is that the Police Station will have to be replaced — sooner rather than later," Dr. Kemp wrote. "Delaying the decision will result in a more expensive solution and ultimately a larger tax increase."

For many it may seem desirable to continue and procrastinate because of the current economic troubles. However, (the FinCom) believes that approving the Police Station now is prudent and a financially-sound decision to remedy this long-delayed infrastructure problem."

While the size of the previous project has been reduced by about 2,000 square feet to 8,126 square feet, the price of construction, materials and labor has certainly gone up over the past two years. As such, the committee's best-guess estimate for the scaled-down project is now \$3.8 million — although Chief Miller was quick to point out that figure could very likely be lower given the current competitive bidding climate.

"The competition out there is different right now," Chief Miller said. "Hopefully when all is said and done our numbers will come in much lower. If so, we can go back to (the voters) and say our costs are much less and here's the rest of the money back."

Indeed, Town Administrator Paul Dawson pointed out at a recent Selectmen's meeting that the Town of Harwich recently bid out an estimated \$9 million Police Station project that actually came in about \$1 million under projections.

While FinCom Chairman Dr. Kemp concurred that rising gas prices, sub-prime mortgage rates, a declining economy and record-high water and sewer bills could easily dissuade taxpayers from taking on any additional burdens, he also noted that Marion's current debt level is

healthy and continues to decline as the Sippican School expansion is paid off. As the current bond rate of 4.5 percent, the proposed \$3.8 million Police Station project would only cost 20 cents per \$1,000 of valuation. For the average median home in Marion valued at \$469,600, that would be a total cost of \$96 per year.

With an ideal parcel of donated land that is both conveniently located to provide a quick response from the center of town and that's already not on the tax rolls, so the town won't be losing tax revenue in the exchange, Chief Miller stressed this is ultimately a win-win situation for the Town of Marion and he hopes residents will support it.

"When they look to expand the schools, people are in there everyday and they see what's wrong," Chief Miller said. "Here not many people come into the Police Station and when they do, they don't see much past the front lobby. And it makes it hard for us, but the conditions we're operating out of are difficult. Space is tight and security for victims and witnesses of a crime is important. There's also confidentiality issues and this building just doesn't cover that."

## Second Annual Mother's Day Road Race

By Robert Chiarito

It not very often that something goes from the idea stage to a reality and then moves onto event status in a little more than a year's time, but that is exactly what has happened with the Annual Tiara Classic Mother's Day 5k Road Race. The race, which attracted over 500 runners and walkers to this second edition, was held to honor mothers everywhere, raise awareness of women's issues and to benefit the Women's Fund of Southeastern Massachusetts.

A perfect spring morning greeted hundreds of runners and spectators to the race route at the corner of Old Marion Road and Route 6 in Mattapoisett with many donning tiaras, tutus, capes and pageant-styled ribbons. For most of the participants the race seemed to be more about the cause than the competition. The cause, in this case, was raising monies for the Women's Fund of Southeastern Massachusetts. The fund is a local charitable organization and advocacy group that seeks to improve the lives of women and girls throughout the region with programs devoted to education, the arts, health, violence prevention, career and leadership training and economic stability, among others. This fundraising event is aimed at helping the group reach its stated goal of creating a per-

manent endowment of one million dollars as a resource for the women of the region.

All runners were encouraged to run in honor of a woman who had made a difference in their lives. The names of the honorees were recorded on a board that was displayed in the hub of the events' registration and activities area. The area also included a section devoted to children with activities including face-painting and the signing of t-shirts that were shared by participants.

With many mothers and fathers toting or running along side of their children, this race was a true family affair. Prior to the main event a short fun run for children that measured about three-quarters of a mile in length gave younger children the opportunity to join in the day's competition. Children ages 3 to 12 ran the shortened version of the course with each of the small runners winning a medal for their participation. In the main race, mothers of all ages paired with their daughters and, in some cases, granddaughters as they ran and walked the course. Many of the men who participated in the event ran side by side with their wives, daughters and sons with many families crossing the finish line together.

Among the winners in the various age groups were overall winner and men's top finisher **Andrew McIntire** of Mattapoisett who ran the five kilometers in 17:43 while **Maureen Larkin** of Walpole was first among the women runners with a time of 20:12. A quick scan of the official race results saw a majority of the runners who

finished among the top 100 were from the tri-town area. Compared to last year's inaugural race, this year's version saw an increase in registration of nearly one-third, making the race one of the most popular 5K events on the Southcoast in just its second year. *Indoor/Outdoor* follows the story of Samantha, a high-spirited and enthusiastic pet cat, played by Rochester resident Johanna Wickemeyer '08, whose character grows and learns about life throughout the show. Samantha's owner is named Shuman, played by Marion resident Ned Riseley '08, "a neurotic and extremely sensitive web designer who works from home and takes great joy from his (seemingly) uncomplicated relationship with Samantha." Samantha's life reaches unexpected dimensions when she falls for adventurous alley cat Oscar, played by Colby Morgan of Hamilton, MA '09. Oscar initially presents the personae of a tough cat to impress Samantha and later becomes sentimental as he falls in love. Sarah Macdonald '08 from Duxbury provides the communication conduit between humans and cats in her role of an animal psychologist named Matilda.

According to Ned Riseley, "the play is about communication — meaningful interaction requires more than convenient coexistence. Communication is about listening and being honest, even when it isn't easy or convenient." The message is delightfully conveyed in a way that is "great for people to connect with their own lives. "The audience will have the opportunity to both laugh out loud as well as shed tears," said Colby Morgan.

Johanna Wickemeyer described the challenges of directing and acting in the same play. "It requires two different trains of thought, the directing eye is critical and demanding, while the actor's eye is all about feeling and expression, to give and take with the cast, essentially a compromise." Also, "it's challenging to physically portray a cat — I have never owned one!" A student-run production allows opportunities for "taking risks and trying new things because we aren't limited by familiarity; creative

Written by Kenny Finkle, the show debuted in July 2004 at the Hangar Theatre in Ithaca, NY directed by Kevin Moriarty. It has been presented in numerous venues including Trinity Repertory Theatre in Providence, RI.

With all of this said, leave your preconceived notions at the door. *Indoor/Outdoor* isn't anything like the musical *Cats*. This show is different and is sure to please and reach the emotions of diverse audiences.

Parents are advised that due to strong language and adult themes, the play may not be suitable for young children.

Tickets are free. They may be reserved by calling 508-748-2000. Donations will be gladly accepted and will be used to fund future student independent productions.

#### **Insect Bites**

*My dog came inside from his run with a number of 1/2 inch red marks on his belly that were shaped like bullseyes. Are these from deer tick bites? Does it mean that he will get Lyme Disease?*

Because of the mild winter, this spring has been especially bad for black flies and biting gnats. These are the small flies that circle your head in the morning and evening. When they bite a dog, usually on the belly and ears where the hair is thin, they leave a characteristic bullseye shaped mark.

*Is there a way to prevent him from being attacked by these flies?*

Try putting Avon Skin So Soft on the areas that have a thin hair cover. Other insect repellents containing DEET may not be safe on your dog. Use them very sparingly, as on the ears only.

Mattapoisett was called to order on Monday, May 12 at 7:00 pm in the auditorium of ORR High School by Town Moderator Jack Eklund having noted the presence of a quorum of some 160 registered voters. The Finance Committee (FinCom) first made a presentation on the Fiscal Year (FY) 2009 General Operating Budget.

FinCom Chairman Dennis Perry noted that going into FY2009, the Town of Mattapoisett is "financially sound and stable." The Board of Selectmen and FinCom have agreed on a conservative approach in preparing their proposed budget.

"Based on our revenue stream, we have \$19.8 million available for appropriations," Mr. Perry said, adding that this year's proposed budget is up by \$661,000 or a 3.6 percent increase over FY 2008.

Under **ARTICLE 1**, voters were asked to fix the salaries of the town's elected officials as follows: Town Moderator: \$200; Board of Selectmen, Chairman: \$3,700; Board of Selectmen, Members: \$3,300; Assessors: \$3,300; Town Clerk: \$46,709; Board of Health: \$400; Highway Surveyor: \$62,505; Mattapoisett School Committee: \$400; Water/Sewer Commissioners: \$400; Tree Warden: \$6,800; and Herring Inspector: \$730.

There being no questions or objections, **Article 1** passed unanimously, 160 to 0.

Taking **ARTICLE 3** out of order, voters were asked to receive an annual report from the Mattapoisett Capital Planning Committee for FY2009. Committee member Jeremy Collier noted that they are recommending 15 capital requests totaling \$3.3 million that are considered to be priorities for FY2009.

Town Meeting unanimously voted to accept the Capital Planning Committee's report under **Article 3**.

At 7:34 voters adjourned the Annual Town Meeting to consider the six Special Town Meeting articles, be-

ginning with **ARTICLE 1**, which asked voters to approve a transfer from available funds of \$60,000 to pay the cost of retirement/post retirement benefits to eligible employees.

**Article 1** carried unanimously, 160 to 0.

Under **ARTICLE 2**, voters were asked to appropriate \$3,500 to print the 2007 Annual Town Report, with money to be transferred from FY2008 Free Cash.

"This report is the Annual Town Report for the current calendar year ... we had money in that account because we depleted it," Mr. Botelho explained, noting it was used to print prior years' reports which voters had requested.

**Article 2** passed unanimously, 160 to 0.

Under **ARTICLE 3**, voters were asked to appropriate \$5,000 to pay for the cost of plantings, markers and related landscape features at the Mattapoisett War Memorial Park adjacent to the Mattapoisett Free Public Library.

Resident George Randall questioned whether there was any money remaining the Mattapoisett Library Renovation account and why it wasn't being used to fund these plantings, since it was located on the newly-expanded library property. But Selectman Andrews noted the park really has nothing to do with the library and the town owns the property that is to be landscaped.

According to Mattapoisett Tree Committee member Ruth Bates, this money would be used to finish a project designed by Deborah Smiley in order to avoid having the entire area blacktopped, which was proposed

in the original library plan. They have now restructured the park area and reduced the number of parking spaces between the library and the rear parking lot of The Kin-sale Inn.

Article 3 carried via majority vote, 155 to 5.

Under ARTICLE 4 voters were asked to appropriate \$47,018.02 from FY2008 Free Cash to pay for legal expenses associated with litigation and labor matters during the prior year. The bulk of this cost, according to Selectman Steve Lombard, was to pay for legal fees related to the Tinkham Forest Land Swap lawsuit, which is currently being appealed by the residents who filed the original suit.

the funds to pay the legal bill," Selectman Lombard said. "The case was the budget didn't meet the appropriations. We came to Town Meeting to meet those appropriations last year and it was turned down. But we still owe the money."

"Last year we voted down the article that sought \$25,000 ... this year we're being asked for \$47,000 which is almost twice as much," said resident Brad Hathaway. "I voted against this article last fall more out of anger and frustration. But now I think it should be paid."

Mr. Eklund noted this article was to fund a prior year's bill and thus required a 9/10 majority to pass. With that, **Article 4** carried via 169 to 14.

Under **ARTICLE 5** voters were asked to appropriate \$154,897 from FY 2008 Free Cash to pay additional legal fees and related expenses. A little over \$100,000 of this amount is related to the town's pursuit of a claim against the contractor responsible for the HVAC problems at Old Hammondtown School, according to Selectman Raymond Andrews. The town is hoping to recoup upwards of \$1.3 million to make repairs to the faulty HVAC system installed in the school which resulted in mold damage.

The remaining \$54,000-plus would fund other pending litigation matters, including the previously discussed unresolved Tinkham Forest lawsuit.

But resident Brad Hathaway, who is also one of the residents who filed the original Tinkham Forest Land Swap lawsuit against the town, vehemently asked the

Board of Selectmen to consider dropping their appeal in order to save these mounting legal fees.

"There may be a possibility that this could cost the town more than \$100,000 and I'm trying to stop that," Mr. Hathaway said, after inquiring as to how much of this amount is earmarked for the Tinkham Forest litigation case.

Mr. Hathaway further asked how much of the remaining money is due to the Tinkham Forest suit.

According to Town Administrator Mike Botelho, that amount is estimated to be \$8,405.99 for the current year.

With that, Mr. Hathaway moved that \$8,405.99 be deducted from Article 5, bringing the new total to \$146,491.01.

Mr. Hathaway's motion to amend was defeated, 142 to 18.

Returning to the original **Article 5**, voters thereby approved the measure via majority, 153 to 7.

Under **ARTICLE 6**, voters were asked to appropriate \$7,780.55 for the purpose of paying the costs of tax title foreclosures for FY 2008 and FY 2009.

**Article 6** passed via majority, 160 to 0.

Reconvening the Annual Town Meeting, under **ARTICLE 2**, voters were asked to approve a total \$19.8 million General Operating Budget for FY 2009.

Among the key line items which were questioned by voters was an odd budget entry included under sever-

al departments for "uniform/clothing allowance" which Mr. Botelho explained was part of a collective bargaining agreement with employees back in 2003. The nominal \$300 to \$400 line item has remained in each department's budget since, although most departments don't wear "uniforms," per se.

After further discussion and debate, **Article 2** passed via majority vote, 159 to 1.

Under **ARTICLE 4A**, voters were first asked to appropriate \$180,000 from the Capital Stabilization Fund to replace various vehicles and equipment as recommended by the Capital Planning Committee including: a police cruiser for the Police Department (\$28,000); garage doors for the Highway Department (\$30,000); a one-ton dump truck for the Highway Department (\$65,000); replace aging technology in the Mattapoisett Schools (\$51,000); and relocate servers and equipment for the Board of Selectmen (\$6,000).

Resident George Randall asked why the Police Department has to replace two cruisers every year, especially given the current economic climate. "Why can't we replace one now and see what happens with the economy in November?" he asked.

But Police Chief Mary Lyons noted they currently have two unmarked vehicles and seven marked cruisers and they have been following a policy established with the FinCom to replace two cruisers every year and rotate the older ones out of service. "It's a safety issue," she said.

With that, **Article 4A** passed via majority vote, 154 to 6.

Under **ARTICLE 4B**, voters were asked to appropriate \$56,010 from previous unused articles and ambulance receipts to replace a second police cruiser for the Police Department (\$31,010) and purchase a pickup truck for the Highway Department (\$25,000).

Article 4B passed, 158 to 2.

Under ARTICLE 5, voters were asked to appropriate \$2.5 million to construct a new water storage facility and accompanying appurtenances for the Water Department, with money to be raised via borrowing, available funds or through grants.

According to Water/Sewer Superintendent William "Nick" Nicholson, the project would be funded through water rates and would cost about 80 cents per 100 cubic feet, or about \$71.03 per year for the average water user. Mr. Nicholson noted the water tank would be located on town-owned property within the The Bay Club facility.

Article 5 passed 108 to 39.

Under **ARTICLE 6**, voters were asked to appropriate \$50,000 to replace a 12-inch diameter portion of water main at the Mattapoisett River Crossing which has been eroded by the river bank over the years and needs to be replaced. This is a main transmission line to North Street, according to Mr. Nicholson.

**Article 6** passed unanimously, 130 to 0.

Under **ARTICLE 7**, voters were asked to authorize the Board of Selectmen and/or the Board of Water Commissioners to appropriate \$15,000 to purchase land for the purpose of well protection. Mr. Nicholson said this purchase entails 7.25 acres of land along the Mattapoisett River which abuts the town's #5 well which is accessed off Long Plain Road.

**Article 7** passed via majority vote, 108 to 2.

Under **ARTICLE 8**, voters were asked to appropriate \$400,000 to replace existing water meters in town with "Radio Read" meters as requested by the Water / Sewer Department. According to Mr. Nicholson, this article would allow them to upgrade to remote Radio Read meters which would allow them to quickly access meter readings and do more frequent readings even when residents aren't home. This would, ultimately, allow them to increase the number of billing cycles during the year. Mr. Nicholson said he hopes to move to quarterly billing with these new meters. Funded through borrowing, Mr. Nicholson said the cost to purchase these new meters would be about \$18.48 per user each year over a 10-year

But many residents felt this was more of a “want” than a “need” item, especially given the \$400,000 price tag.

**Article 8** failed to pass, 42 to 72.

Reconvening the second night on Tuesday, May 13 at 7:06 pm having noted the presence of a quorum of some 96 voters, Town Meeting quickly approved:

- \$50,000 to make wharf repairs and repair or replace wharf floats at the Town Beach under **ARTICLE 9**;
- \$20,000 to conduct an engineering study of Mello Wharf under **ARTICLE 10**;
- \$28,500 to purchase a new ambulance billing computer system under **ARTICLE 11**;
- Appropriating the following from Community Preservation Funds: \$1,000 for administrative expenses; 10 percent from FY09 revenues for Historic Resources Reserve; 10 percent from FY09 revenues for Community Housing Reserve; 10 percent from FY09 revenues for Open Space Reserve; and the remainder of FY09 revenues into an uncommitted reserve account under **ARTICLE 12**;

- Establishing a Wood Waste Recycling Revolving Account under state law that would allow Mattapoissett to receive payments and tipping fees generated from wood waste with a maximum spending limit of \$30,000 under **ARTICLE 21**;

- Rescinding the town's borrowing authority from several open and unused prior Town Meeting articles in order to improve the town's overall bond rating under **ARTICLE 22**;

- \$6,000 appropriation from the Overlay Surplus account to defray the expense of real estate revaluations under **ARTICLE 23**; and

- Adopting a Zoning By-Law amendment to better define frontage requirements, especially on lots where the street is curved or located on cul-de-sacs under **ARTICLE 24** (passed 75 to 27).

The bulk of night number two was dedicated to **ARTICLE 25** as petitioned by the Mattapoissett Historical Commission to establish a "Demolition Delay By-Law" for the town.

According to Historical Commission Chairman Josephine Pannell: "What we are trying to do is *delay* the demolition of a historic building or structure, and the key word is 'delay.' In the last seven years, there were probably two buildings that we might have looked at. There are 121 cities or towns in Massachusetts that have a Demolition Delay By-Law."

But residents felt it put too many restrictions on their personal property and would create potential economic hardships.

"If I want to tear down a house, am I going to

have to fight these people in court?" asked resident Paul Kelly.

"This by-law imposes a huge, huge economic cost and burden," said resident Mary Kelleher. "Nowhere in this by-law does it talk about issuing a demolition permit. I don't think it promotes the public welfare."

"This is a zoning by-law and all we're doing is circumventing the zoning by-law regulation," said resident Stephen Hanna.

But Town Counsel advised the state Attorney General's office has taken the stance that a Demolition Delay By-Law is *not* a Zoning By-Law and only requires a simple majority vote to pass.

"I understand there's a certain amount of people who love history, and I do, too," said resident Bill Dumas. "But if this by-law were to pass ... for sellers and buyers this would be an economic hardship. I don't think the Town of Mattapoisett needs this by-law."

"I just don't want anyone to have say over what I can and can't do with my own property," added resident Lynn Sylvia.

With that, **Article 25** failed to pass, 41 to 66.

Under **ARTICLE 26**, voters were asked via petition of resident Brad Hathaway to request the Conservation Commission (ConCom) to bring forward at the 2009 Annual Town Meeting a comprehensive wetlands protection by-law using as a model the by-law first produced in 2002, and subsequently withdrawn. Mr. Eklund noted this article would simply be an "advisory vote" of Town Meeting and wouldn't make any demands of the ConCom.

**Article 26** passed via majority, 72 to 18.

**ARTICLE 27**, which would have asked voters to accept Hitching Post Road as a public way, had not gone through all the necessary hearings and was thus ruled out of order.

There being no further articles to consider, the Annual Town Meeting was adjourned at 9:18 pm.

## **Raymond H. Andrews for Selectman**

### **Why am I running for re-election to the office of Selectman?**

I am running for re-election because of my love of this town, its history, and the values of the people who choose to live here.

For the majority of my adult life, I have worked in the service industry. I know and understand the needs and requirements of this field. The residents of Mattapoisett are the best customers to work for. It has given me tremendous satisfaction to have been able to serve you, the citizens of Mattapoisett, for the past nine years.

I may not have pleased all of you, all of the time, but I can assure you that I have always had your best interest at the forefront of every action that I have taken on your behalf.

We are faced with difficult financial challenges in the near future. I am proud to say that as a result of sound financial planning, Mattapoisett is now well-positioned financially to address these challenging issues.

afternoon. The ladies completed their sweep with another 5-0 win as they traveled to Case High School on Wednesday, May 7. The **Boys Tennis Team** also swept their opponents this past week winning a 5-0 decision at home over Fairhaven High on Monday, May 5. The team then brought home a 4-1 win over the Dartmouth Indians on Tuesday, May 6 before ending the week with a 5-0 home win over Case on Wednesday, May 7. The Bulldogs are now 11-2 on the year and 9-0 in SCC play.

**Jessica Nye** pitched a no-hitter as the **Bulldogs Softball Team** won 11-0 at Fairhaven on Monday, May 5. Nye struck out ten while walking two in completing her gem. The Lady Bulldogs completed their week with two more wins in as many games as they won 6-1 at their Dexter Lane home over Greater New Bedford Regional Technical High School on Wednesday, May 7. Nye again led the way allowing only three hits as she struck out twelve. Nye collected as many hits as she allowed, recording three hits and driving home two runs as **Meg MacGregor** also added two RBI's in the win. **Kayla Souza** led the Lady Bulldogs offensive attack as the team completed a very good week with an 8-0 win on the road over the Wareham Vikings on Thursday, May 8. Souza had three hits and three runs driven in as **Jessica Nye** once again helped pitch ORR to a win. The win gave the Bulldogs a record of 7-7 for the season and an SCC mark of 6-7.

The **Old Colony Cougar Softball Team** is also on a hot streak as they have now posted five consecutive wins. The Lady Cougars started their week with a 6-2 win at Cape Cod Tech on Monday, May 5. **Arielle Bernier** collected three hits for Old Colony as **Ashley Campbell** pitched the Cougars to the win. The hot streak continued with a 3-2 win at home over Sacred Heart on Wednesday, May 7. Bernier won her fourth game of the year and also was the game's offensive star going 3 for 4 at the plate.

The Cougars are now 9-6 for the season with a Mayflower League record of 8-2.

The **Bulldog Boys and Girls Track and Field Teams** met Bourne in a home dual meet on Wednesday, May 7 with each coming away with a convincing win. The **Ladies' Track Team** downed Bourne 89-56. **Becca Geldmacher** a double winner. Ms. Geldmacher took the 800 meters in 2:43.8, a time, which qualified her for the State Meet while also running the final leg for the winning 4x400 relay team. On the **Boys' side**, ORR won 78-58 with **Franck Tebou** a double winner once again in the 100 meter sprint and the shot put. The **Boys Track Team** is now 4-3 on the year overall and in the SCC while the Girls team advanced their record to 6-1 on the season both overall and in the SCC.

The **ORR Baseball Team** had its seven-game win streak snapped as they lost 13-3 at Fairhaven High on Monday, May 5. The Bulldogs also dropped their next game at Greater New Bedford Regional Technical High School on Wednesday, May 7 as the Bears came away with a 3-2 extra innings walk-off win. ORR righted itself

He has coached at both Old Rochester Regional Senior High and Junior High School for different levels of boys and girls as well as AAU during his fourteen year coaching career.

The first session is for boys and will be held from July 14-17. Boys presently in Grades 4, 5 and 6 (school year 2007-2008) will attend from 9:00 am to 12:00 noon. Boys presently in Grades 7, 8 and 9 (school year 2007-2008) will attend from 1:00 to 4:00 pm.

The second session is for girls and will be held from July 21-24. Girls presently in Grades 4, 5 and 6 (school year 2007-2008) will attend from 9:00 am to 12:00 noon. Girls presently in Grades 7, 8 and 9 (school year 2007-2008) will attend from 1:00 to 4:00 pm.

The camp focuses on the fundamentals and development of shooting, passing, dribbling, ball handling, rebounding, post play, as well as individual and team defense. The camp counselors who assist Coach Regan will be former and current players from Old Rochester as well as other local area coaches.

The cost of the camp is \$115 per session. Registration forms were distributed to the local schools in early April. Forms can also be obtained through Coach Regan's camp website at <http://web.com.mac/rick.regan>. There are still spots available so send in your registration form as soon as possible. For questions or more information, please email Coach Regan at [coachregan3@gmail.com](mailto:coachregan3@gmail.com). They look forward to seeing both former and new campers this summer.

"This is the baseball league's only major fundraiser of the year, making it critical to have everyone's support," said Hal Rood, who heads up RYB's Fundraising Committee. "We are looking for golfers, as well as sponsors for each hole and contributions of raffle items."

RYB has added a few exciting new features to the tournament, including a \$5,000 Hole-in-One contest and a \$5,000 Long Putt. Winners of either contest would split the winnings with the league. In addition, the Rochester Youth Baseball team that recruits the most golfers wins a free pizza party at Towne Pizza.

Any golfer registering by May 1 will be eligible to win an iPod Nano.

### Wanderer Keel Awards

*The Wanderer* is once again pleased to announce we are now soliciting nominations for our fifteenth annual "Wanderer Keel Awards." The yearly community service honor — which is presented to one resident from each of the three central towns in our circulation area — will be announced in our **May 22, 2008** issue and each winner will be the subject of a short feature highlighting their contributions to the local community. But *The Wanderer* needs your help in selecting these "unsung heroes."

The requirements are simple. Nominees must be legal residents of Mattapoisett, Marion, or Rochester (at least five years), and must have contributed in some way to the overall benefit of the community — either directly to town residents, or indirectly through efforts in promot-

ing town activities, or working to keep the wheels of local government well-oiled. The only restriction is that these persons cannot benefit from their efforts in any other way — either financially or politically (hence, sitting elected officials are *not* eligible).

In doing this, we hope to applaud those who are rarely recognized for their countless hours of service and focus on the many people "behind the scenes" who remain otherwise anonymous but provide crucial support to many town functions. Like the keel of a ship which keeps the vessel from capsizing, the recipients of the Annual Wanderer Keel Award will be recognized for their stalwart efforts in keeping the community on an "even keel."

"I began to have severe pain in my sciatic nerve. I am a nurse practitioner and knew that the medical intervention would be a series of steroids, covering up the problem with painkillers, and a good potential for chronic pain. I remembered a time when a fellow nurse was able to **avoid back surgery because of chiropractic intervention**. Now my sciatic pain is gone and I am able to stay pain-free with periodic chiropractic care."

- Barbara Nick, Marion

"I came to Marion Family Chiropractic because I had several medical issues and was always sick. Now I feel a lot better! **I rarely get sick anymore** and many of my health issues have become better."

- Amanda Carreiro, Fairhaven

"I had headaches every day for 2 years that were sometimes so severe that I would 'black out.' I started chiropractic care for the headaches a few weeks ago, and **I have already gone 3 weeks without a headache.**"

- Jacob Pickering, New Bedford

"My body felt tight, and I had a pinched nerve in my neck. I feel 100 times better now. **I am most happy I found this office because of the results.** A change I didn't expect is that I feel much more calm and I have increased clarity in my thinking."

### Mattapoisett Cultural Council

The Local Cultural Council of Mattapoisett would like to invite the public to the library on May 31 at 2:00 pm to encourage new members to help keep funded activities in the town. The Council believes that arts and culture hold the power to inspire wonder, self-discovery and curiosity in each of us. They've seen arts and culture transform lives and communities. Come learn how the grant program works in keeping the cultural organizations, schools and local cultural activities going. Join as a member and be a part of the MCC making decision for the town's arts and education. They hope you can join them for this public meeting.

### OHS Jazz Gets Gold

The Old Hammondtown School Jazz Band competed at the annual junior high, elementary school jazz educators competition on May 8 at Stoughton High School. This year's members include: Lenny Murphy-vibes and percussion, Mike Kassabian-keyboard bass, Sean Deery-piano, Cassie Vaitses-drums, Shane Ryan-trumpet, Alicia LaRock-Tenor Saxophone and Hannah Cormier-trombone. All three arrangements were written by Stan Ellis. The songs were *Mr. PC* by John Coltrane, *Jive Samba* by Nat Adderley and *Dearly Beloved*.

## Deaths

**Harvey H. Kenyon**, 85, of Dartmouth died May 8, 2008 at home after a long illness surrounded by his family. He was the husband of the late Emily L. (Bernardo) Kenyon. Born in New Bedford, the son of the late Harvey and Nellie (Harrington) Kenyon, he lived in Dartmouth most of his life.

Mr. Kenyon was an avid woodworker who enjoyed building furniture and boats. He enjoyed spending time with his grandchildren and ballroom dancing. He was formerly employed by Morse Cutting Tools for many years until retirement. He later worked as a custodian at First Federal Bank on Union Street in New Bedford.

Mr. Kenyon served in the U.S. Army during World War II participating in the Battles of Normandy, the Rhineland, Ardennes and Northern France. He was a recipient of the European-African-Middle Eastern Theater Campaign ribbon with 3 Bronze Stars, the Purple Heart, the Infantry Combat Badge, the American Theater Campaign ribbon, the American Defense Ribbon and the World War II Victory Medal. He was a member of the American Legion and the

## D.A.V.

Mr. Kenyon was a well-loved resident of Monroe Terrace Housing in Dartmouth where he and his companion Juliet hosted many Holiday parties and cookouts for the residents.

Survivors include a son, Brian Kenyon, and his wife Debra, of New Bedford; a daughter, Joy Levin, and her husband Michael, of Sharon, MA; his companion, Juliet Parent of Dartmouth; 3 grandchildren, Stacy, Benjamin and Melissa, 2 great-grandchildren, Emily and Rocco; several brothers and sisters.

# Mattapoissett Candidates Forum

*With the town facing severe budget constraints and/or reductions in state aid, how would you approach fiscal spending if (re)elected?*

**Raymond Andrews, Incumbent**

**Mattapoissett Selectman (3-year term)**

"I will continue to work with our Financial Team to maintain current services while limiting any increase in the tax rate."

**George Randall, Candidate**

**Mattapoissett Selectman (3-year term)**

"Until the economy improves the policy should be: if we *need* it, buy it. If we just *want* it, do not buy it."

*How do you plan to approach the town's annual operating budget given the limitations of Proposition 2 1/2?*

**Raymond Andrews, Incumbent**

**Mattapoissett Selectman (3-year term)**

"The Selectmen and Finance Committee will present to Town Meeting an Annual Budget for FY 2009 that is within the Levy Limit."

**George Randall, Candidate**

**Mattapoissett Selectman (3-year term)**

"Overriding Proposition 2 1/2 is always a no-no at any time. We need to spend very cautiously."

*What are Mattapoissett's three most pressing capital needs that you would actively support?*

**Raymond Andrews, Incumbent**

**Mattapoissett Selectman (3-year term)**

"1. New Fire Station, sooner we build, less it will cost; 2. Expand municipal water to Outer Mattapoissett Neck, and Brandt Island; 3. Address ADA issues at Town Hall."

**George Randall, Candidate**

**Mattapoissett Selectman (3-year term)**

"#1 - Building an affordable Fire Department building. #2 - Serious consideration of purchasing the Holy Ghost Grounds property. #3 - Protecting people who built Mattapoissett, our *seniors*."

*Given the current economic climate, what do you think about the idea of shared regionalized departments and services among the tri-towns?*

**Raymond Andrews, Incumbent**

**Mattapoissett Selectman (3-year term)**

"If it does not diminish the quality of services that we currently provide Mattapoissett residents, and will save money, I have no opposition to regionalization."

**George Randall, Candidate**

**Mattapoissett Selectman (3-year term)**

"Mattapoissett always draws the biggest share of expense money of Tri-town regionalized projects or services, so we should *move slowly*."

*What are the most important qualities that make you the ideal candidate for this position?*

**Raymond Andrews, Incumbent**

**Mattapoissett Selectman (3-year term)**

"Sixteen years of service to Mattapoissett, seven on Appointed Boards, nine as Selectman. Innovative ideas that have professionalized Town Government, especially in the Financial Departments."

**George Randall, Candidate**

**Mattapoissett Selectman (3-year term)**

"I am a Mattapoissett native, a veteran, and father deeply concerned with young families plus our retired citizens, the lifeblood of Mattapoissett, past and present."

**Mattapoissett Annual Town Election**

### Mattapoisett Coyote Lecture

The Mattapoisett Land Trust wishes to invite the public to attend a lecture by Dr. Jonathon Way titled "Ecology and Education of the Eastern Coyote in Eastern Massachusetts" to be given at 1:00 pm on Saturday, May 31 at the Friends' Meeting House.

Very little is known about coyotes in suburban and urban settings, but Jonathan Way's research has provided insight into these fascinating, highly successful predators. Dr. Way obtained his MS degree at UConn Storrs and PhD degree at Boston College where he combined science and educational issues associated with these creatures. He has also hand-raised a group of coyotes, which were a valuable asset to both the science and educational components of his work. He continues to radio-collar and follow coyotes on Cape Cod and in Boston to

# MOVIE REVIEW

## Pedal Pusher

By Rob Gonsalves  
www.robsmovievault.com

**Speed Racer. Starring Emile Hirsch and Susan Sarandon. Directed by the Wachowski Brothers. Running time: 135 minutes. MPAA rating: PG.**

Who says relations between the U.S. and Japan aren't solid? Anime is trying to look more and more like live-action Hollywood films (see the *Applesseed* movies), and live-action Hollywood films are trying to look more and more like anime (see just about any summer movie). *Speed Racer* arrives as a go-between, the missing link. Its distributor, Warner Bros., has a way of putting out a movie every decade that doesn't look like any other movie ever made up until then: *A Clockwork Orange* in the '70s, *Blade Runner* in the '80s, *Natural Born Killers* in the '90s, and now *Speed Racer*.

It comes to us courtesy of Andy and Larry Wachowski, who gave us the dark dystopia of the *Matrix* trilogy and wrote/produced the dark dystopia *V for Vendetta*. Their follow-up, to the bafflement of those expecting *Babies and Kittens Get Killed by Robots: In IMAX 3D*, is this colorful, whistle-clean, family-friendly ... wait, did I say only "colorful"? I mean a nuclear explosion in a Crayola factory. The colors in *Speed Racer* are ferociously bright and saturated; they don't appear in nature, but then nothing else in the movie does, either. Essentially, for all the surface differences, the Wachowskis are still working the same side of the street: *Speed Racer*, like the *Matrix* films, exists in a hermetic computer-painted world controlled by Evil Overlords, and Only One Hero can prevail.

Speed Racer (Emile Hirsch) races for his family business; his Pops (John Goodman) builds racing cars, his big brother Rex (Scott Porter) was once the world's greatest racer before a fatal crash took him out. Speed wants to go on racing for Pops, Mom (Susan Sarandon), and her amazing cinnamon pancakes, but an oily racing magnate (Roger Allam, looking like a bizarre cross between Al Gore and Christopher Hitchens) wants Speed on board. We hear altogether too much about how racing affects stocks; the Wachowskis' "duh" message this time is that it's bad for corporations to squash art, which would sound better in a film that wasn't bankrolled by Time/Warner to the tune of \$100 million.

I'd say that Sarandon wanted to enact the movie's housewife-mom role, which is so retro-simplistic it almost isn't sexist, because she wanted to be in a movie her kids could see, except that her kids are 19 and 16, respectively — they're ready for *Rocky Horror* by now. What was Christina Ricci's excuse? She plays Trixie, who has loved Speed Racer since they met as children, and I guess it's fun to see the former Miss Goth America being relentlessly, unironically cheerful. She's ready for her own *Rocky Horror* by now, though it looks increasingly unlikely we'll get it. Of the cast, only John Goodman stubbornly insists on rooting his scenes in something emotionally valid. About Speed's kid brother Spritle (Paulie Litt), who shovels candy into his face whenever possible and hangs out with the monkey Chim-Chim, the less said the better, though their shared anime fantasy surprised a laugh out of me.

The Wachowskis want to have goofball fun here, and I'm sure they did, but what matters is whether the fun filters down to the rest of us. Gorgeous as *Speed Racer* is, the neon-gasm style gets monotonous, and the scenes away from the racing track are dreary even though the Wachowskis sprain themselves to make them look interesting. Kids might enjoy *Speed Racer*, but only on DVD, where they can cut to the chase(s); I can only add to the growing list of reports of restless, bored kids in the theater around me. The Wachowskis haven't made *Speed Racer* for kids — they've made it for the kids they used to be. After *The Matrix* turned them into avatars of cool, they've done a 180 and made something entirely and intentionally square. They've certainly done worse — *Speed Racer* isn't nearly as tedious as *The Matrix Revolutions*, the entirety of which looked like it was filmed inside Dick Cheney's colon. But I don't think this film will catch the zeitgeist the way *The Matrix* did; *Iron Man* has stolen its thunder. Such is the fate that awaits all hipsters: there's always someone cooler.

ARIES (March 21 to April 19) Taking advice isn't always easy for self-assured Rams and Ewes who think they know what's best. But it wouldn't hurt to listen to what close colleagues have to say.

TAURUS (April 20 to May 20) You know how to balance life's practical aspects with the poetic. This gives you a special edge this week in both your professional endeavors and your personal life.

GEMINI (May 21 to June 20) Focus on keeping a balance between your home-related activities and your workplace responsibilities. Be mindful of both without obsessing over one or the other.

CANCER (June 21 to July 22) A change in plans is likely as you discover more facts about a possible commitment. Continue to ask questions and, if you're not sure about the answers, demand proof.

LEO (July 23 to August 22) Be careful not to let that Leonine pride keep you from seeking wise, experienced counsel before making an important decision. A family member once again seeks your help.

VIRGO (August 23 to September 22) That surge of Virgo energy drives you to take on more work assignments. Be careful you don't overdo it, or you might find yourself overdone: i.e., burned out.

LIBRA (September 23 to October 22) Your decision to be upfront with colleagues on a touchy matter causes some consternation at first. But in the end, your honesty wins their trust and admiration.

SCORPIO (October 23 to November 21) As in the past, someone again wants to share a secret with you, knowing it will be safe. But do you really want to be this person's confidante? Think about it.

SAGITTARIUS (November 22 to December 21) As one of nature's straight shooters, you seek to correct misconceptions about a project. Do so, of course, but without giving away too much too soon.

CAPRICORN (December 22 to January 19) Creative pursuits continue to be strong in the gifted Goat's aspect. New friendships can come from sharing these experiences with like-minded art aficionados.

AQUARIUS (January 20 to February 18) Resolve lingering grumblings over your way of doing things by keeping your mind open to suggestions while continuing to show how your plans will work.

PISCES (February 19 to March 20) The perceptive Piscean might find that changing course in midstream isn't as workable as it would seem. Explore this option carefully before making a decision.

BORN THIS WEEK: Your willingness to share your love of life's good things brings joy to many, including, of course, yourself.

### Brandt Island Cove

The Mattapoisett Land Trust (MLT) wishes to invite the public to join its members in the dedication of the Walega-Livingstone Preserve on Brandt Island Cove at 10:00 am on Saturday, May 31.

The 107-acre preserve was acquired in January of this year after three years of negotiation and fundraising. This is the largest acquisition ever made by the MLT both in acreage and in monetary value. It was only made possible by a grant from the North American Wetlands Conservation Act (NAWCA), funds available from the fines levied for the Bouchard oil spill which adversely affected the Cove in 2003. The preserve contains some of the most environmentally significant, and sensitive, acreage in Mattapoisett and will now be available to the public in perpetuity for passive recreational use.

Following the dedication and tour of the prop-

erty, everyone is invited to a potluck lunch at the Friends' Meeting House on Route 6 in Mattapoisett — please bring a dish to share and the MLT will provide drinks and dessert. After lunch the MLT will hold a brief business meeting to review the year's accomplishments and elect a slate of directors for next year. To close the day, at 1:00 pm our featured guest, Dr. Jonathan Way, will deliver a presentation entitled "Ecology and Education of Eastern Coyotes in Eastern Massachusetts" to help us better understand this ever more common predator.

Everyone interested in attending the dedication should gather on Anchorage Way at 10:00 am or, if you wish to carpool, you can join MLT members at the Friends' Meeting House on Marion Road (Route 6) at 9:45 am before proceeding to the preserve. Rubber shoes or boots are highly recommended because of the wet terrain.

For more information, please visit the MLT website at [www.mattlandtrust.org](http://www.mattlandtrust.org), or call 508-758-7849.

### Rochester Tree Farm

The Rochester Green Ways Committee is opening its tree farm on Saturday, May 17 from 9:00 to 11:00 am for town residents to come and dig their own trees. The tree farm has approximately 24 trees that are ready for transplanting — four- to five-foot River Birch, Oak and some smaller Tulip Trees are available free. Any donations to Green Ways would be appreciated to help

A big “thank you” must go out to Max Lawrence at Sunnynook Farm for again donating the beautiful mulch that has been placed around memorial trees and at the town gardens. He has been very generous over the years.

Kudos must also go out to Ed Rose and his crew who took it upon themselves to spruce up Varella Corner, a small memorial to one of the early families of Rochester at the intersection of Walnut Plain Road and High Street. They pulled out the encroaching shrubs, planted several

new trees and in general landscaped the area to look lovely. Everyone who drives by thanks them.

Last year the Green Ways Committee planted two American Chestnuts along each side of the new Plumb Library driveway. They were transplanted from Lisa and David Wallbridge’s home on New Bedford Road in memory of Judy Gurney and Grandma Hartley. Perhaps, when you visit the library, you could give these two trees a word of encouragement, as they are small and from a genus that has had some problems. Actually, there is proof that these trees tend to thrive with human contact! Case in point — everyday Evelyn Benner talked to the Tulip Tree in front of the Senior Center that she had dedicated to Ward Benner. It is now the healthiest tree — despite the

### Tri-Town Ride for Kids

This year's Second Annual PMC Kids Tri-Town Ride expects 350 children ages 3-15 years old to ride one to eight miles around the Town of Mattapoisett. There will also be an obstacle course suitable for riders with tricycles or training wheels.

The Tri-Town Ride was begun by local residents and is spearheaded by Kathy Gauvin and her family. Celebrating the conclusion of the Tri-Town Ride, there will be a party for participants and volunteers which will include music, refreshments, face painting, raffle items, and more.

The ride hopes to raise \$15,000. Proceeds from the Tri-Town Ride will benefit the Pan-Mass Challenge, which supports cancer research and treatment at Dana-Farber Cancer Institute through its Jimmy Fund. PMC Kids Rides have raised nearly \$400,000 since 1998 when the first unofficial PMC Kids Ride began. PMC Kids Rides involve young people in volunteerism and charitable giving, while providing a safe and fun opportunity for them to become involved in the PMC mission.

The PMC Kids Tri-Town Ride will start at 9:45 am on Saturday, June 14 at Center School in Mattapoisett. There is a \$10 registration fee. Fundraising is encouraged but there is no minimum dollar amount. Contributions

The Pan-Mass Challenge is a 192-mile bike-a-thon that draws over 4,000 cyclists from 30 states and six countries to ride across Massachusetts to raise millions of dollars for cancer research and treatment for Dana-Farber Cancer Institute through its Jimmy Fund. Now in its 29th year, the PMC generates nearly 50 percent of the Jimmy Fund's annual revenue. It is the most successful athletic fundraising event in the nation, as it raises and contributes more money to charity than any other. It is also the most efficient. In 2007, the PMC donated \$33 million — 99 cents of every rider-raised dollar — directly to the Jimmy

## ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

### Mattapoisett American Legion

The monthly membership meeting of the Florence Eastman Post 280 American Legion is held at the American Legion Hall, 3 Depot Street in Mattapoisett, on the third Wednesday of each month. All members are encouraged to attend. Your input and ideas are needed.

This month's meeting will be held on Wednesday, May 21 at 7:00 pm. The group will review the annual Spaghetti Dinner with fellow veterans from the Brockton VA which appears to have been a great success. They also want to report that due to their inability to gain access to the Knights of Columbus Facility, the annual clam bake has been cancelled after over 50 years.

### Marion Natural History Museum

Join the Marion Natural History Museum for a great summer near the water! They offer two opportunities for you to get your kids outside this summer. The program Life Along the Shore is for students entering Grades 1 and 2. This program will find participants seining the shore and exploring the plants and animals that live in the area's many coastal habitats. With the use of games, journals and introductory science techniques, this will be a wonderful first look at life in our coastal environment. Dates are from July 7 through the July 18 and again August 4-15.

The second program is Watershed Discovery for students entering Grades 3 and 4. With the use of microscopes, field guides and other equipment they will explore the unique features and health of riverbanks, swamps, ponds, bogs and marshes during this in-depth

investigation of the area's water resources. Date for this program is July 7 through the July 18. The cost for each program is \$150 for members and \$200 for non-members and both programs run from 9:00 am to 12:00 noon, Monday through Friday. This is a wonderful opportunity to expose your children to the natural world around them.

To register please go to our website [www.marionmuseum.org](http://www.marionmuseum.org) and fill out a registration form and mail it in with payment. The programs will fill on a first-come, first-served basis and registration is limited to 15 children per session so please get your registrations in early. See you in the summer!

**I found the Aardvark!**

Each week we will give away an Aardvark Gift and each month we give away a special Aardvark Gift Basket to one lucky person. All you have to do to enter is find the Aardvark! The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

The winner will be selected from all the correct answers picked by the deadline and the prize will have to be picked up at our office. Only one entry per household per issue please.

To enter, simply find the aardvark in this issue, then go to our web page and select the link "I Found the Aardvark" entry page. If you would like to enter by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoissett, MA 02739.

Winner, past location and prizes listed on our website at: [www.wanderer.com](http://www.wanderer.com) Click on "I Found the Aardvark"

**In the May 8 issue the Aardvark was on page 50!**
